MEZCAL, SOTOL & RACIALLA

DERRUMBES DURANGO

7

Durango is the most north-eastern state in the Mezcal DO area, and is known for its wild but abundant Agave Durangensis, known locally as Cenizo ("ash", because of the colour). The flavour profile obtained is fruity and zinging, with hints of tropical fruit, citrus (pomelo), and tamarind.

DERRUMBES MICHOCHAN

7

Two species of agave are used to produce Derrumbes Michoacan: agave Cupreata brings mature fruit aromas, while agave Cenizo brings more herbal notes. A full-flavoured mezcal, with savoury wood smoke complemented by sweet fruit, vegetal notes and a refreshing minerality.

DERRUMBES OAXACA

7

The perfect example of a mezcal from the Central Valley of Oaxaca. The agave is cooked in an underground stone pit using black oak to give a light smokiness. A thick, flavoursome and intriguing spirit. The intense flavours provide a backbone, but don't swamp the more delicate notes.

DERRUMBES SAN LUIS POTOSI

7

Derrumbes San Luis Potosí is an incredible example of a very particular style of mezcal crafted in the high altitude Central Mexican Plateau, in the state of San Luis Potosí. A relatively austere nose gives way to a sweet and complex palate that's very approachable for a traditional mezcal. Well balanced and fruity, this is a great spirit for sipping.

DERRUMBES TAMAULIPAS

7

In the far north-east of the Mezcal Denomination of Origin region, mezcal made in Tamaulipas is unique and rarely found outside of Mexico. Two of the agave varieties used, known as Amole (Agave Funkiana and Agave Univittata), are endemic to this state. Fruit aspects fade into fresh, herbal tones, and bitter dark chocolate.

DERRUMBES ZACATECAS

7

Composed of 100% Agave Tequiliana Weber, variety Azul (Blue Agave). Classic mezcal, with controlled smoke, agave fruit and peppery spice in perfect balance.

MEZCAL, SOTOL & RACIALLA

ILLEGAL JOVEN

6

A classic Mezcal which naturally lifts sweet caramel notes, hints of Corinth raisins and a floral, faintly smoky finish.

ILLEGAL MEZCAL REPOSADO

7

Illegal Reposado is an artisanal mezcal produced in the Oaxaca region of Mexico from 100% Espadín agave. After distillation, the spirit is aged for four months in American oak casks, resulting in a perfect balance of agave, smoke, and wood.

OJO DE TIGRE

5

Is an artisanal cross between Espadín and Tobala agave which translates young age through its citrusy, fresh, and smoky fruity notes.

QUIQUIRIQUI

5

Launched in 2012, and was the first mezcal to be available in the UK. The woman responsible was Melanie Symonds, a former TV producer, who opened a mezcal bar in Hackney after visiting Oaxaca. Sweet, vegetal notes with earthy elements and stone fruits, wrapped up in a bonfire smoke with a sprinkling of black pepper.

LOST EXPLORER ESPADIN

6.50

The Lost Explorer Mezcal is a handcrafted spirit cultivated on ancestral Miztec land in the sun-soaked Valles Centrales, Oaxaca. Wood smoke and dried, singed herbs, with yellow plum and roasted agave sweetness.

LA HIGUERA WHEELERI SOTOL

6

The traditional spirit of Northern Mexico, made in the town of Aldama at the heart of the sotol region by Gerardo Ruelas – a fifth generation Sotol producer. Made from the Dasylirion plant, known as "sotol" in Mexico, it is a close relative of agave plant.

LA VENENOSA RAICILLA

6

Made in Jalisco, but falling outside the Tequila denomination, La Venenosa Raicilla follows a distilling tradition that is nearly 500 years old. Created by "Chef" Esteban Morales, La Venenosa showcases the many varieties of agave and distillation techniques native to Jalisco.
